FINAL CALL FOR PROPOSALS

Share your experience, newest ideas or latest technologies within the digital heritage sector! If your work is within the Northern Arctic and Periphery area, please submit a presentation proposal for the PHIVE hybrid conference, held virtually and in Reykjavik June 16th 2022.

Specific topics include:

- Virtual reality and digital reconstructions
- Immersive storytelling and game-based approach to heritage
- Digital preservation, community engagement, and crowdsourcing
- Virtual museums, virtual tours and tourism

Speakers can give virtual presentations because the whole conference will be hybrid. Proposals can be submitted here: <https://forms.gle/N7QqBwc9hL2SnkKF7>.

Final deadline is May 2nd!

More information about the PHIVE project (Promoting Heritage in Virtual Environments) can be found on www.northernheritage.org.
